2022 Columns

Washington Report: Every issue, we provide a review of the latest happenings in Washington regarding regulatory agencies, laws, politics, and budgets.

Legal Update: Joel S. Chappelle, Esq., and Shawn K. Stevens, Esq., from Food Industry Counsel, LLC, provide their take on the hot button legal issues in every issue.

Allergen Control: The team at the Food Allergy Research and Resource Program (FARRP) updates readers on allergen control as related to analytical methods, risk assessment, and sanitation in the Feb/March, June/July, and Oct./Nov. issues.

Global Interests: Industry professional Aurora A. Saulo, PhD, shares her expertise on the latest matters affecting the international food community in the April/May, Aug./Sept., and Dec./Jan. issues.

Cannabis Corner

From harvesting, processing, testing/analysis, and distributing—we look at the cannabis movement from different angles as it pertains to foods and beverages in every issue.
